TENERIFE NORTH – Stunning villa with panoramic views and two guest apartments

Santa Úrsula, Tenerife

990.000 €

NIMA Homes is proud to present this beautifully renovated villa, located in one of the most privileged areas of Santa Úrsula. With approximately 320 m² of living space on a 580 m² plot, this property offers elegant architecture, comfortable living and exceptional versatility.

Large windows fill the interiors with natural light and frame breathtaking panoramic views of the Atlantic Ocean, Mount Teide and the city of Puerto de la Cruz.

The villa is arranged over two floors and features spacious living areas in the main residence, perfect for relaxing and entertaining. In addition, there are two fully independent guest apartments: one with two bedrooms and one with one bedroom. These are ideal for hosting family and friends or renting to holiday guests.

Several terraces and carefully landscaped garden areas invite you to enjoy the Canarian sunshine, host barbecues with friends, or simply take in the sea and mountain views. The plot also offers the option to build a swimming pool, adding the final touch to the holiday atmosphere.

The location of this villa is as impressive as the property itself. Situated in a quiet and exclusive residential area, Puerto de la Cruz is less than a ten-minute drive away. Shops, restaurants and schools are also within easy reach. A modern garage is available for your vehicle.

This villa is a unique home that perfectly combines luxury, privacy and the beauty of Tenerife. Contact NIMA Homes today to arrange your private viewing.
