Tenerife – Spectacular Estate with 50,000 m² of Land in the Natural Paradise of El Rincón

Santa Úrsula, Tenerife

2.850.000 €

Welcome to an estate that is truly one of a kind. This exceptional villa, located in the highly sought-after coastal nature area of **El Rincón**, offers unmatched privacy, extraordinary space and some of the most breathtaking sea views on Tenerife's northern coast. Set on a vast **50,000 m² of natural land**, this property unfolds as a world of tranquility, openness and pure Atlantic beauty – yet remains only **10 minutes from Puerto de la Cruz** and all essential amenities.

El Rincón is considered one of Tenerife's most precious natural sanctuaries: a dramatic coastline of raw beauty, steep cliffs, crystal-clear natural pools, peaceful walking trails and an atmosphere of profound calm. Here you experience the authentic Tenerife – wild, serene and far away from mass tourism, with traditional Guachinches nearby offering local cuisine in its purest form.

At the heart of this remarkable setting lies a spacious estate with **300 m² of living space**, consisting of a generous main house and **two fully independent apartments**. This layout offers exceptional versatility – ideal for holiday rentals, guest accommodation, multi-generational living or as private retreats within the property.

The main house features **three exceptionally large bedrooms**, each designed with a sense of scale, brightness and connection to the surrounding nature. The two separate apartments provide additional comfort and flexibility, perfect for visitors, extended family or high-end rental opportunities.

The outdoor areas are simply spectacular: a large **heated swimming pool** serves as the centrepiece of the Mediterranean lifestyle. Surrounded by wide terraces, the pool area opens onto uninterrupted views of the Atlantic Ocean, the rugged coastal landscape and the dramatic beauty of El Rincón. Every sunrise and every evening glow becomes a moment to remember.

Despite its extraordinary privacy, the estate remains very well connected. Within minutes, you can reach Santa Úrsula, supermarkets, restaurants and all daily services. Yet the property retains the feeling of an exclusive natural refuge – a rare luxury on Tenerife.

Whether you are seeking a prestigious family home, a high-return holiday rental investment, or a private sanctuary surrounded by nature, this estate offers a **level of potential rarely seen on the island**. The combination of space, nature, sea views and comfort creates a truly unparalleled living experience.

Contact **NIMA HOMES** for more information or to arrange an exclusive private viewing. Discover a property that not only impresses, but inspires – a true gem in the heart of El Rincón.
