Tenerife: Stylish Apartment in a Prime Location with a Large Terrace and Spectacular Sea Views

Santa Úrsula, Tenerife

295.000 €

In one of the most desirable residential areas of Santa Úrsula, NIMA HOMES presents this charming apartment – a rare gem within an architecturally stunning and beautifully designed complex. Santa Úrsula is one of the most sought-after locations in the north of Tenerife, offering excellent shopping facilities as well as a diverse and high-quality gastronomic scene. The tranquil residential complex, comprising only 24 units, creates an exclusive and private atmosphere that is hard to find in such a privileged location.

The apartment offers an interior living area of approximately 64 m² and an impressive terrace of around 50 m², boasting fantastic, far-reaching views over the Atlantic Ocean. Enjoy the beauty of the coastline, complete privacy and magical sunrises throughout the year.

The property was fully renovated by an architect – including electrical installations, plumbing, TV wiring and gas central heating – and is in outstanding condition. The inviting living-dining room provides a warm and welcoming ambience, while the adjacent modern kitchen is equipped with high-quality appliances (Neff ceramic hob, Siemens oven, fridge-freezer, dishwasher and washing machine).

The bedroom features a large built-in wardrobe offering generous storage space. The apartment is completed by a modern bathroom with shower, WC, bidet and washbasin, as well as an additional guest toilet – ideal for visitors or extended stays.

A true highlight is the spacious terrace, creating a perfect private retreat under the open sky. Located on one of the upper floors, the apartment offers peace, privacy and breathtaking sea views.

The well-maintained complex includes a heated communal swimming pool during the winter months, beautifully integrated into a lush garden. A parking space with a storage room in a locked private box in the underground garage can be purchased for €15,000. In addition, a second conveniently accessible parking space on the same level as the apartment is included.

This apartment combines comfort, design, tranquillity and one of the best locations in northern Tenerife. It is the ideal home for those seeking a peaceful retreat on the island of eternal spring – whether as a main residence, a second home or a long-term investment.
