Tenerife: Unique Apartment with Teide and Sea Views

Tacoronte, Tenerife

300.000 €

Experience the perfect combination of comfort and breathtaking views! This fantastic, recently renovated apartment is located in a beautiful and well-maintained residential complex in Tacoronte (Mesa del Mar), Tenerife, and offers unparalleled views of the majestic Teide and the endless sea. The spacious 30 m² terrace invites you to relax and enjoy the beautiful sunsets.

With a living area of 93 m², the apartment offers ample space for singles or couples looking for a comfortable home – whether as a permanent residence, for relaxing holidays or as a winter retreat. The apartment was completely renovated last year and furnished with high-quality furniture and modern appliances. It features two bright bedrooms, a modern bathroom and an inviting living room that opens seamlessly onto the spacious terrace. The fully equipped kitchen leaves nothing to be desired.

The apartment is wheelchair accessible and offers practical comfort for people with reduced mobility. It is also equipped with built-in wardrobes.

The building faces north, allowing you to fully enjoy the magnificent sunsets. The residential complex itself features a well-maintained garden, a large swimming pool, a tennis court and a fitness room – ideal conditions for a high quality of life.

A particular advantage of this property is the existing holiday rental licence. This means that, in addition to personal use, the apartment also offers attractive opportunities for tourist rentals, making it particularly interesting for buyers looking for a versatile property with investment potential.

The location could hardly be better: Situated just 200 metres above sea level and close to the charming town of Tacoronte, with its popular weekly market and the seawater swimming pool by the beach. This property is ideal for holiday rentals or as your own comfortable home.

For additional convenience, a large parking area is available directly in front of the building.
