Tenerife – Exclusive retreat surrounded by nature in La Montañeta

La Montañeta, Tenerife

495.000 €

Amidst the lush green landscape of La Montañeta, above Garachico and on the edge of the protected Corona Forestal nature reserve, this exceptional property offers a unique combination of peace, privacy and modern living comfort. Set on an impressive plot of approximately 8,577 m², this fully renovated detached house provides a special sense of living – away from the hustle and bustle while still being just a few minutes from the coast and everyday amenities.

The house offers approximately 180 m² of built area and impresses with its spacious, single-level layout in an attractive bungalow style. The bright, modern kitchen is functional and flows harmoniously into the living and dining area. A new wood-burning stove creates a particularly cosy atmosphere. The property has five bedrooms and three bathrooms.

The generous terraces are particularly appealing, offering views across the well-maintained garden and the surrounding natural landscape. The spacious outdoor areas provide plenty of room to enjoy the tranquillity and pleasant climate of Tenerife. An outdoor kitchen, barbecue area and garden house complement the property and create ideal conditions for relaxing moments outdoors.

The property has been extensively renovated and technically modernised in recent years. Among other improvements, all windows and doors were replaced, thermal insulation and moisture protection were enhanced, and the water and drainage pipes and complete electrical installation were renewed. The bathrooms were also comprehensively modernised, and the interiors and flooring were renewed accordingly.

Underfloor heating throughout the house, air conditioning and a new condensing heating boiler with hot-water storage provide year-round living comfort. An alarm system has also been installed.

The property also includes a garage with an additional basement/storage area as well as generous outdoor spaces. The garden house and barbecue area have been extensively renovated, the terraces have been newly tiled and the exterior of the house has been repainted.

The location of La Montañeta combines exceptional privacy with convenient access to the Atlantic coast and everyday infrastructure. At the same time, the property is situated on the edge of the protected Corona Forestal nature reserve, offering a special connection to the impressive natural landscape of north-west Tenerife.

Whether as a permanent residence, private retreat or second home, this property offers space, tranquillity and a special connection with nature. Its generous plot and versatile features also make a rental or investment use conceivable.

A property for those looking for something truly special: exceptional privacy, generous outdoor areas, modern technical features and the unique natural setting of Tenerife make this home an extraordinary retreat.
