Unique investment opportunity: Fantastic avocado finca!

Los Realejos, Tenerife

1.300.000 €

Discover this unique avocado finca with an impressive area of 50,000 m² in the picturesque north of Tenerife.

Last year, a whopping 40 tons of avocados were produced here, which impressively underlines the potential of this plantation. The finca is situated at an altitude of just 280 meters above the Atlantic Ocean and offers breathtaking views of the sea and the surrounding mountains.

The heart of the finca is a large historic house dating back to 1800 with a living area of 500 m². This charming building offers numerous possibilities for development, be it as a country hotel, a place for vacation and tourism or as an event venue. The spacious terrace and balcony invite you to enjoy the fantastic climate and the magnificent views.

In addition to avocado production, there is the possibility of planting more avocado or other trees and acquiring preferential water rights. This finca thus offers a business with double profitability in a privileged environment. Take advantage of this unique opportunity and realize your dreams on this fantastic avocado finca!
